SUBJECT INDEX

The Journal of the International College of Surgeons

Volume 44, July-December, 1965

Adhesive
New, for vascular surgery 241

Adhesion
and granuloma inducing capacity of glove powders in the abdominal cavity 677

Alpha-Chymotrypsin
in juvenile and congenital cataracts 645

Aneurysm
of renal artery causing arterial hypertension .. 47

Ankylotic Jaw
and bird-face 411

Anorectitis
Rectal hypothermia 128

Antibiotic Nasal Spray
Use of, in human nasal carriers of bacteriophage typable, coagulase positive *Staphylococcus Aureus* 377

Aorta
Reconstructive surgery of obstructing lesions in the supra-aortic branches 660
Ultrastructure of neointima of aortic fabric grafts in dogs 632

Arthroplasty
Prosthetic, of the hip 432

Asthma
Removal of carotid body in treatment of, and obstructive emphysema 253

Bladder
ileal, New technic for constructing, ... 405
Reflujo vesico-ureteral 77

Blumer's Shelf Tumor
with primary carcinoma of the lung 477

Bone
Damages to bone caused by immobilization and their prevention 664

Brain Abscesses
Some observations on 415

Breast
Classification of carcinoma of, ... 540
Conservative radical mastectomy 697
trauma—surgical and psychic; its repair and prevention 515

Burns
Management of severe and extensive 19
Surgical management of fresh third degree, ... 549

Cancer
Appearance of cancer cells in blood stream of gastric cancer patients 391
Biochemical affinity of cancer tissue 328
Blumer's shelf tumor with primary carcinoma of the lung 477
Carcinoma of the lip 618
Classification of, of breast 540
Factors influencing survival after radical operation for gastric, ... 682
Primary choriocarcinoma of Fallopian tube .. 62

Capsulectomy
circumferential, with acetabular enlargement in treatment of hip dislocations in children 482

Carotid Body
Removal of, in treatment of asthma and obstructive emphysema 253

Cataracts
Alpha-chymotrypsin in juvenile and congenital, 645

Cervicobrachial Neurovascular Compression
syndrome, Personal experiences with surgical treatment of 250 cases 273

Chest
Sternoturnover; Advanced new surgical method to correct funnel chest deformity 69

Cholecystectomy
syndrome, Treatment of, with procaine hydrochloride injections 556

Choriocarcinoma
Primary, of the Fallopian tube 62

Chyluria
Traitement de la chylurie par ligature et section elective après coloration des lymphatiques péri-rénaux 202

Common Bile Duct
Secondary exploration of, ... 361

Creatinuria
of pregnancy, experimental study of etiology .. 181

Cyst
Enterogenous, of rectum in an adult: report of case 693

Diverticulosis
of the small intestine 9

Ear
Surgery for chronic otitis media 595

Encephalography
Clinical studies in echoencephalography..... 153
Ultrasonic encephalography 523

Editorials
Polyposis epidemiology in specific areas of Italy 207
Biochemical affinity of cancer tissue 328
The general surgeon: quo vadis? 453
Surgery and the psyche 561
New surgical philosophy comes to life 702

Emphysema
Removal of carotid body in treatment of asthma and obstructive, ... 253

Construction of, by establishing communication between retrosternal tunnel and cervical spine 320
One-stage reconstruction of, in treatment of long-persistent esophageal fistula following spontaneous rupture 315

Extremities
Treatment of traumatized extremities with special consideration of the vascular problem 599

Eye
Rehabilitation of orbit after exenteration for malignancy 289

Face
Management of soft tissue injuries of, ... 441

Fistulas
of the soft tissues, A new method for demonstrating, ... 668

Giant-Cell Lesions
of Jaws 262

Glioma
Intraspinal 159

Grafts
Ultrastructure of neointima of aortic fabric grafts in dogs 632

Granuloma
Adhesion and granuloma inducing capacity of glove powders in the abdominal cavity.... 677

Haptic Hammer 197

Heart
Transatrial approach to closure of ventricular septal defect 385

Hematuria
Rare gynecologic cause of 421

Hemorrhage
Control of, by local hypothermia after prostatectomy 37
Hypogastric artery ligation in prophylactic and active treatment of hemorrhage in pelvic surgery 1

Hernia
Hydrocyst complicating a femoral, ... 530

Heterotopia
Clinical importance of pancreatic, ... 650

Hip
Circumferential capsulectomy with acetabular enlargement in treatment of hip dislocations in children 482

Hydrocyst
complicating a femoral hernia 530

Hypertension
Aneurysm of the renal artery causing arterial, 47
Avances en tratamiento de hipertension portal 309
Bilateral dissimilar renal lesions as source of reversible, ... 612
Functional portal, and fatty liver 533

Hypothermia
Control of bleeding by local, after prostatectomy 37
Rectal 128

Immobilization
Damages to bone caused by, and their prevention 664

Kidney
Bilateral dissimilar renal lesions as source of reversible hypertension 612
Traitement de la chylurie par ligature et section elective après coloration des lymphatiques péri-rénaux 202

Labor
Aggressive management of the third stage of, .. 427

Lip
Carcinoma of, ... 618

Liver
Functional portal hypertension and fatty, ... 533

Lumbar Disc
surgery without fusion, Late follow-up..... 191

Lymphosarcoma
Primary, of the stomach 605

Mastectomy
Conservative radical, ... 697

Neointima
Ultrastructure of, of aortic fabric grafts in dogs 632

Neurectomy
Intracranial peripheral, in treatment of trigeminal neuralgia 54

Obstruction
respiratory, Endotracheal intubation causing, .. 87

Otitis Media
Surgery for chronic, ... 595

Otorrhea
cerebrospinal fluid, in a radical mastoidectomy cavity, Surgical repair of, ... 284

Pancreas
Clinical importance of pancreatic heterotopia. 650
pseudocyst in children 123

Papilla Duodeni Major
in whites and Negroes..... 372

Phrenic Nerve
repair, Intrathoracic: suture and non-suture method 171

Placental Extractor 189

Pneumothorax
On the treatment of spontaneous, ... 674

Pneumothymography 149

Polyposis
epidemiology in specific areas in Italy..... 207

Powders, Glove
Adhesion and granuloma inducing capacity of, in the abdominal cavity 677

Pregnancy
Experimental study of etiology of creatinuria of, ... 181

Prostatectomy
Control of bleeding by local hypothermia after, 37

Prostheses
Breast trauma—surgical and psychic; its repair and prevention 515
Prosthetic arthroplasty of hip 432
Rehabilitation of the orbit after exenteration for malignancy 289

Pseudocyst
Pancreatic, in children 123

Psoas Minor
syndrome 30

Radius
dislocation of head of, Fracture of upper half of ulna and, ... 303

Rectocolitis
Rectal hypothermia in ulcerative hemorrhagic anorectitis and, ... 128

Rectum
Enterogenous cyst of, in an adult 693

Respiration
Endotracheal intubation causing respiratory obstruction 87

Resuscitation
Advantages of open and closed chest, ... 687

Retractors
Buttock and perianal 449

Roentgenography
A new method for demonstrating fistulas of soft tissues 668

Sphincter of Oddi
Results of surgical treatment of stenosis of, .. 656

Spinal Cord
Intraspinal gliomas 159

Sternoturnover 69

Stomach
Appearance of cancer cells in the bloodstream of gastric cancer patients 391
Complications following gastrectomy 509
Factors influencing survival after radical operation for gastric cancer 682
